

JOIN THE EUA : REGISTER TO BENEFITS

Dear Urologists, members and visitors, the "DREAM" to have a modern online administration for all activities of the Egyptian Urological Association (EUA®), is now a "REALITY". The OFFICIAL WEBSITE OF THE EGYPTIAN UROLOGICAL ASSOCIATION (EUA®) is now launched.

You are welcomed to log in through the following links:

www.uro-egypt.com , www.uro-egypt.org , www.uro-egypt.net , www.uro-egypt.info

Our goal is to submit the service to reach the "FINGER TIP" of each urologist, rather than to wait for him to reach us.

All services may be reached through the EUA WEBSITE: Local Training Courses, Workshops, Subspecialty Sections Activities, Annual Scientific Meetings of Urology Departments all over Egypt, the Annual Congress of the EUA®, as well as supplying information about the International Urological Activities.

All financial issues (membership annual dues, subscription to all activities, urological field pharmaceutical and medical technology firms) shall be settled online via web-secured system managed by the National Bank of Egypt and Visa International, allowing safe transactions of any currency, whether for paying or refunding. Credit cards as well as simple prepaid online cards which do not need any bank account, just to be loaded by the value needed for transaction in local currency.

Bank drafts and money transfers (telegraphic transfers) are also available as an option directly to the account of the Egyptian Urological Association (EUA®), [?????? ?????? ?????? ?????? ?????? ?????? ??????] in the National Bank of Egypt. Its branch network is spread all over Egypt in all currencies.

The national Bank of Egypt accounts are:

EGYPTIAN POUND ACCOUNT # 01005564106

US DOLLAR ACCOUNT# 01005564102

EURO ACCOUNT # 01005564108

The only cash transaction allowed is for "ON SITE REGISTRATION" at the Annual EUA® Congress.

The EUA in accordance with "terms and conditions" on the front page of the EUA WEBSITE, is not held responsible for any financial settlements outside the above mentioned regulations.

Dr Ismail Osman Abdelhafeez, MD

EUA WEBSITE executive director: euaweb.chiefexec@uro-egypt.com
