

CONGRATULATIONS

The EUA board of Directors, is proud to announce that, the AUA program Committee shall include a scientific session to be held in the 2012 Annual meeting by the EUA.

September 6, 2011

???. The AUA Program Committee met recently and I am very pleased to inform you that your request to hold an Egyptian Urological Association program has been approved for AUA's 2012 Annual Meeting???.

Gopal Badlani, M.D.

Secretary, AUA ????. [click here to view full document](#)]

The steady and enthusiastic attendance, as well as the distinguished scientific contribution by the Egyptian Urologists over several decades, whether as visitors or resident practicing Urologists, endorsed by an enthusiastic, well planned, convincing campaign lead by the EUA Board President and Secretary, who's perseverance yielded this fruitful achievement.

This puts a greater responsibility on the Egyptian Urologists to contribute more, by scientific high quality research or by regular attendance, to endorse this achievement.
