Egyptian urologic association (EUA)  
In collaboration with  
European school of urology (ESU)  and  
EAU section of uro technology (ESUT)  
Offer  
BASIC LAPAROSCOPY WORKSHOP

Course Directors:  
Ahmed Shoma, Mansoura University  
Ali Gözen, Germany

Faculty:  
• Ahmed El Nahas, Mansoura University  
• Mahmoud Shalaby, Assiut University  
• Ahmed Rashed, Sohag University  
• Mohamed Kotb, Ain Shams University  
• Ahmed Mansour, Mansoura University

Aim of the course: the course is designed to offer the theoretical knowledge of the basic and advanced laparoscopy for the young urologist. The second goal is to offer hands on training using laparoscopy training boxes to help for acquiring the basic skills for handling of the laparoscopy instruments and targeted objects in addition to acquisition of laparoscopy suturing principles. In addition, the course will include all the contents of European Training in Basic Laparoscopic Urological Skills (E-BLUS). E-BLUS are courses for basic laparoscopy which are accredited by European association of urology (EAU), ESU and ESUT. E-BLUS examinations will be held in the last day. The participants who will pass the exam will get an accredited certificate from EAU.
